

Families & the Future

Value Individuality, Empower Students, Inspire Future Success

Mahalo for your support of Island Pacific Academy's "Families and the Future" campaign. This campaign is essential to strengthen IPA's foundation and secure our school's future by establishing a \$3 million endowment and growing our critical Navigator Fund. At IPA, every student has the opportunity to excel and contribute to a vibrant and inclusive community. Funds raised will support the continuous improvement of IPA's programs, advancing a values-driven education that prepares students from every economic background for a bright and dynamic future.
